

Quayside Public Consultation – Round Two

1. Do you think the innovations raise the bar on meeting the urban challenges? Why or why not?
2. Do you think that Waterfront Toronto has identified sufficient controls to manage risks? What other controls would you like to see considered?
3. Do you think that Waterfront Toronto has appropriately prioritized solutions for public investment? Why or why not?

Quayside Public Consultation – Round Two

4. Are there some innovations you would like to see prioritized over others? If so, which ones and why?

5. What would you like to see in terms of commitments from Sidewalk Labs to this Project?

6. Other comments, feedback, and advice.

*If you would like to submit feedback after the meeting, please fill out the survey questions at www.quaysidetosurvey.com. **The deadline to submit additional feedback is March 31, 2020.***

Economic Development, Digital & Partnership

3. Are there proposed solutions that you are concerned about? If so, which ones and why?

4. Do you have any other thoughts or comments related to the proposals?

Complete Communities and Inclusivity

Questions for you

1. Do you agree with Waterfront Toronto's conclusions that Sidewalk Lab's proposal sufficiently address the challenges we are trying to address? Why or why not?

2. Are there solutions you want to see Waterfront Toronto prioritize? If so, which ones and why?

Complete Communities and Inclusivity

3. Are there proposed solutions that you are concerned about? If so, which ones and why?

4. Do you have any other thoughts or comments related to the proposals?

Sustainability, Resilience and Climate Positive
